

# CCSMBA INFORMATION PACK SECTION 9

## POINTS SYSTEM

---

### 1 COUNTY POINTS LIST

The County Points List shows the rankings of individual bowlers in the County based on their performance in county competitions over the previous 3 years. The full points list will be sent to all registered clubs and all County Committee members each year for reference, and should be filed with this section of the Information Pack.

### 2 USE OF THE COUNTY POINTS LIST

The County Selection Committee (comprising the County Team Manager and 2 Team Captains nominated by him/her) selects the County Squad from the players on the current County Points List, although inclusion on the List does not guarantee selection. The Team Manager will also have up to 2 'wild cards' available to use in exceptional circumstances to select bowlers with a proven record at County level, providing such bowlers have not played in a CCSMBA County Competition in the past 12 months. In addition, in the interest of promoting the game to junior bowlers, the Team Manager may also choose up to 2 bowlers under the age of 25 who are not currently on the County Points list to be selected for the County Team.

The County Points List is also used to determine the winners of the County Lady and County Gentleman Player of the Year trophies.

### **5 THE SYSTEM**

Points will be credited as they are earned. However, the points list will not be released until the end of the season.

Points will be accumulated over 3 years.

The earliest year's points will be deleted as a new year is added.

The sum of the 3 years is used for team selection.

Any bowler not affiliating for a year:

- will not be eligible for selection and all points gained will be deleted from the list
- will start from scratch when affiliating once more.
